

Section Leader/Field Commander/Drum Major/Band Council Application

The purpose of the Section Leader application process is to identify the best available candidates in each section for the position of leader. The position of Section Leader is an important one in the Skyhawk Marching Band.

This individual(s) is expected to assist the band staff in the teaching of music and drill, tuning, fundamental skills, and section discipline. Section leaders are expected to lead by word and example. Section leaders will strive to keep morale high in their section with positive feedback when appropriate, and will also dispense positive criticism when necessary. The Section Leaders are the backbone of the SMB chain of command. They work more closely with individual members and understand their needs more than any other officer. This application process will help identify those individuals.

Band Council Positions: President (holds and officiates monthly meetings), Vice President (takes notes from meetings for directors and becomes President in case of absence), Historian (documents band activities and makes band scrapbook), Personnel Officer (assists with awards, keeping track of band members' attendance, etc.), and Music Officer (in charge of keeping and organizing music).

Instructions: Please fill out the following form. If you would like to apply for more than one position, please list the positions in order from first choice to last choice (ie. If drum major is your first choice, put that first, and then section leader second). If you need more room, please list the essay question and then use the back of this sheet.
